**FROM: KRISTINA MILLER, CITY MANAGER**  
**DATE: August 10, 2018**

### **CITY MANAGER:**

#### **Food Truck Tuesday August 7<sup>th</sup>:**

Food Truck Tuesday was a success thanks to everyone involved. A BIG thank you to the Public Works, Fire, Finance, and Police Departments for their hard work and dedication in support of this event. Numerous other community members, and council members including the mayor donated their time; I cannot thank you enough. The event would not be a success without each one of you. The smoke likely inhibited attendance; the degree to which is unknown.

The next Food Truck Tuesday Event is September 18th..

#### **Economic Development:**

I will be attending a Tehama County Economic Development Meeting to discuss barriers and progress on August 10th. I will be addressing barriers to jurisdictional development including the lack of a local prevailing wage rate.

#### **Proposition 47- Restore Grant Reporting Meeting:**

I am meeting with River Cities' Counseling and the Center for Evaluation and Research regarding upcoming grant reporting for the Board of State and Community Corrections Proposition 47 grant that supports the Restore Program.

#### **Vandalism:**

Vandalism continues to be a problem in the parks. All of the parks are hit in one way or another with intentionally broken sprinklers, tossed garbage cans and human feces. The park Crewmember is reporting that over the past few weeks, the Community Park (skate and soccer) has been a primary target for vandalism.

**Waterline Extension:**

Able Construction has completed trench paving repairs and intersection paving in those locations identified in the project plans.
