THE CORNING FRIDAY NOTES

TO: MAYOR AND COUNCIL
FROM: KRISTINA MILLER, CITY MANAGER
DATE: AUGUST 4, 2017

VACATIONS:

Building Official Dan Redding: August 30 through September 7, 2017

CITY MANAGER:

Proposition 47 Grant:

Police Department Secretary Laura Calkins and I traveled to Long Beach to attend a required Proposition 47 grant training. The training was beneficial and will be utilized to create effective contracts between the City and River Cities Counseling for implementation of the grant.

Waste Management Contract Negotiations:

Public Works Director Dawn Grine and I will be negotiating an extension to the franchise hauling Agreement with Waste Management on August 4th. The current Agreement expires on March 31, 2018. If the City cannot come to an agreement with Waste Management, the County would like to pursue a joint RFP.

Submittal of Grant to Close the Wood Waste Facility:

As required by an Agreement with the Department of Toxic Substances Control, I submitted a grant application to fund the closure of the Wood Waste Facility. If funded, the Grant would cover \$750,000 in costs to close the Wood Waste Facility. The City, as part of the Grant, would be required to fund a Closure Plan and cost estimate. The cost to develop the Closure Plan will be approximately \$13,000. Due to a large amount of soil being required to close the Facility, it is not known whether \$750,000 will cover the full cost of the project.

AirCon Energy:

I will be meeting with AirCon Energy to discuss the investment grade audit results on August 10th.

City Mission Statement:

I am in the process of reviewing the City's Mission Statement. The current Mission Statement does not state the City's purpose and should be revised to include the City's vision and purpose.

Economic Development:

On August 28th-31st I will be attending a Rural Economic Development Conference funded with Promise Neighborhood Grant funds. I look forward to learning what other rural communities have done to create economic development opportunities within their cities.

PUBLIC WORKS DEPARTMENT:

Multi-Jurisdictional Hazard Mitigation Plan Update:

The Multi-Jurisdictional Hazard Mitigation Plan is nearing completion. Once the DRAFT form is ready for presentation, Consultant Ethan Mobley of Dynamic Planning will present the plan to all jurisdictions involved. During Thursday's Steering Committee weekly meeting, August 24th has been tentatively selected as a possible date to hold a joint meeting of the Tehama County Board of Supervisors, and the City Councils of Corning, Tehama and Red Bluff.

Neighborhood Crime Watch:

Program Members did not install any signs on July 29th but will reschedule for a later date in August.

Water Leaks:

Two water leaks have been reported. Underground Service Alert (USA) has been initiated and repairs will be scheduled as soon as possible at the following locations:

- 1500 block of Meadowbrook
- 500 block of Del Norte

Meetings & Training:

Tehama County Groundwater Sustainability Agency Groundwater Commission: Meeting begins at 8:30 a.m. on Wednesday, August 9, 2017 at the Tehama County Board of Supervisors Chambers, Red Bluff.

Dauids Engineering, the consulting firm hired by the County will be presenting a Sustainable Groundwater Management Act Sustainability Risk Assessment and Work Plan for implementing the County's Groundwater Sustainability Plan. They will also be collecting input from the Commission during this meeting.

Dauids Engineering has been tasked with providing an evaluation of the six undesirable drought related risks; which are:

1. Lowering of groundwater levels
2. Reduction of (water) storage
3. Seawater intrusion
4. Degraded quality
5. Land subsidence
6. Surface water depletion

This information will be used to guide the Commission towards improving the management of these groundwater drought related risks.

Tehama County Integrated Waste Management Task Force: Meeting begins at 4:00 p.m. Thursday, August 10, 2017 at the Tehama County Solid Waste Management Agency Office, Red Bluff.

This will be one of four in a series of meetings that the Tehama County Integrated Waste Management Task Force will be participating regarding the 5-year review of the Regional Agency Integrated Waste Management Plan. Written comments on areas of the Plan which require revision (if any) are due to California's Department of Resources Recycling and Recovery (CalRecycle) by May 31, 2018.

POLICE DEPARTMENT:

Patrol:

In addition to responding to 325 calls for service, a total of 36 officer reports were taken and there were 87 officer-initiated incidents, including 31 traffic stops. Officers made 14 misdemeanor arrests and 1 felony arrests. Officers issued 20 citations, of which; 16 were misdemeanors and 4 were infractions during the period of July 26, 2017 through August 2, 2017.

FIRE DEPARTMENT:

The Corning Volunteer Fire Department "Family Picnic" will be held on Wednesday, August 16, 2017 from 6 p.m. to 9 p.m. at Northside Park at Colusa Street & 6th Street. Please bring your swimsuits and come join in the fun, all food is furnished.
